

"Become a Character" Contest

Are you a character? We think so! So get writing and you could be an illustrated character in the next Project Play book.

Responses from the entry form below will be judged on creativity and fun. You can add as much detail as you would like. We want to hear about your favorite backyard game. Did someone have a unique place to hide? Did you change the rules of the game? Did a frog end up in someone's pocket? Write to us about your craziest story and you may be the next character in our Project Play book series.

Please type or write the answers to the following questions on a separate piece of paper. Then print and include this entry sheet and Guardian Release Form with your responses. **Parents, remember to fill out and sign the release section of the form.** All contact information will remain confidential and used solely for contacting the winner and his/her family. See official rules for full contest details at www.ProjectPlayBooks.com. Have fun!
